## Traveler Profiles

### **Laura Kaufmann** (Intelligence & Logistics)

- Never formally arrested for breaking into a library, but usually removed from museums and churches by crowbar (or bored friends)
- Foodie in search of smoked salmon, cardamom, cakes and pastries so I can recreate the recipes at home
- Dangerously unsupervised cartographer and knitter/yarn hoarder (I'll make something with it eventually, promise!)

### **Jonathan DeMenno** (Operations & Contingency)

- Boisterous, gregarious, 250...ish lbs Luddite (the English kind from the 19th Century, yes that means i'm a time lord as well, but lets move beyond that)
- Personable to a fault, craft brewery rep, which gives me plenty to talk about
- Disastrously in love with history and culture, which leads to delightful encounters with the locals, usually over a pint. Cheers!

### **Sam Waite** (Security & Finances)

- An INTJ tech enthusiast who solves problems pragmatically
- Enjoys horror movies
- Focused on self improvement
- Helps others find utility in the simplest things or ideas

### **Lynne Waite** (Health & Diplomacy)

- Elementary school teacher who loves working with children, sarcasm, and being extremely organized
- Dancer since age 3 and dance teacher while in college
- Mostly positive and outgoing, though guarded around strangers until comfortable; Hates being late. Adores cheese, bread, and chocolate
- Married to Sam
